

Arbrea Labs

Sales Manager Arbrea App

Company Description:

Arbrea Labs is an ETH spin-off from the Computer Graphics Lab, ETH Zurich. We are a team of specialists in computer graphics, vision and artificial intelligence developing state-of-the-art solutions for cosmetic surgery. Our daily tasks range from AR/VR to App Development, focusing on the latest works in Deep Learning, Geometry Processing and Rendering applied to human bodies, as we strive to develop cutting edge technology that improves our users' experience and satisfaction.

We are looking to expand our team with key people that have experience in the tech and surgical treatment field and have a strong will to learn and get involved in a start-up environment. Full time position is preferred; we also consider internship positions with the possibility to transition fully into our team.

What we offer:

As a Sales Manager at Arbrea Labs, you will be working closely with the CEO in implementing sales strategies on different markets. As one of the key employees, you will have a strong influence on how our business will be shaped, giving you, altogether with the team, the opportunity to grow into world leaders in this technology. Your daily tasks will be to contact leads and identify their needs through email, social media, phone or Zoom.

You will work with friendly, passionate and easy-going team members, very willing to offer guidance, and also have a beer (or two) after work or on regular team events. The working environment is quite flexible, with offices in a Technology hub, and we offer employee participation plans.

Required Qualifications:

- Bachelor/Master in business administration, international sales or related areas (work experience in medical company is a plus)
- Strong problem-solving skills and curiosity for novelty
- Willing to be part of a rapidly growing venture

Desired Skills Superset:

- Previous job experience in a similar position or internships
- Interested in and knowledgeable of software
- Extremely driven to succeed and comfortable with a high degree of responsibility and ownership
- An excellent communicator (written and verbal) that easily connects with others
- Ability to prioritize and complete tasks, meeting deadlines
- Proficient in English and German (French, Portuguese, Spanish, Italian is a plus)

Location: Technoparkstrasse 1, 8005 Zurich
